

## Quality

### **Kitco Defense Quality Vision:**

- Consistently meet or exceed customer requirements
- Compliant with all regulatory requirements
- Continually strive to improve quality, service, delivery and profitability
- Inspectors work with and understand new and obsolete OEM drawings and specifications
  
- Involve and empower each employee to meet demands

### Quality Management System (QMS)

Each organization continually improves the effectiveness of the QMS through the use of the quality policy, quality objectives, audit results, analysis of data, corrective and preventive actions and management review. The organizations also monitor the implementation of improvement activities and evaluate the effectiveness of the results.
