

## OEM Licenses

Kitco Defense has Original Equipment Manufacturer (OEM) license agreements with major manufacturers of aircraft parts. These key relationships give us an edge in fulfilling parts contracts for military Maintenance, Repair, and Overhaul (MRO) facilities. The agreements give us access to OEM drawings, technical data packages, engineering, and approved supplier lists.

Licensed for:

The Boeing Company

- A-4
- F-4

Northrop Grumman

- EA6B
- E-2C
